A few newsworthy events and activities would be *Two Cents'* bracket. Last year was best TV show theme song, which went to Duck Tales officially, but to Matlock in our hearts. This year's theme is game shows. You can fill out a bracket and follow along.

Why is This a Thing is diving back into documentary month, and this time featuring none other than your boy, Nic Cage.

Nostalgia+ has finished up Disney's *Gargoyles*. It was a long and bumpy road, but we did it. We'll be holding a vote on Discord in the near future on what we should watch next. But coming soon is too much X-Men.

The Nico Show and *Cultured* now include Nico's face! Videos are posted to the website.

From *Fantasy Book of the Month*-land, we had on the lovely Mary Robinette Kowal, author of *Ghost Talkers* and *The Lady Astronaut* series. 10/10 would have her on again.

Now a little fun, a list of cast favorites! See if you can guess who picked what:

WITAT movies:

Evil Dead 2, Lo and Behold, and Last Christmas.

MHoF movies:

In the Mood for Love, and Frances Ha

FBoM books:

Unsouled by Will Wight, Dragonsbane by Barbara Hambly, Goblin Emperor by Katherine Addison, Ghost Talkers by Mary Robinette Kowal, Year One by Nora Roberts
